

# Legacy of Faith Parenting Classes CCA Enrollment Requirement

Calvary Christian Academy supports families who are actively discipling their children. We realize that our effectiveness in the classroom starts with, and largely depends upon, the discipleship that first takes place in the home. As a church, we have a responsibility to provide our parents with the support and accountability that they may need to accomplish godly parenting. With this in mind, we have been given the blessing of working hand-in-hand with Calvary Chapel Family Ministries to create ongoing opportunities for Calvary Christian Academy parent discipleship.

One such opportunity is called “Passing On The Legacy Of Faith: A Biblical Guide To Parenting.” It is a series of six (6) classes on the principles of godly parenting offered to you through Calvary Chapel Family Ministries, in conjunction with Calvary Christian Academy. The series has been designed and is intended primarily for our Calvary Christian Academy parents. The six week class is offered early October on Sunday afternoons from 12:30 pm – 2:00 pm.

Completion of this series of classes is a one-time prerequisite for all new CCA parents and must be completed the first year that your student attends CCA.

Even though many have received training through previous parenting workshops and seminars, we are confident that you, your student, and our ministry will benefit from this series of classes to merit the required participation of every new CCA parent. It’s just that important!

I agree to attend the Parenting Classes
