

Mother's Information Form (Female Guardian)

Calvary Christian Academy exists to make disciples of Jesus Christ through a biblical school environment that prepares students to glorify God spiritually, academically, and socially.

In response to this, our goal in offering quality Christian education is to co-labor with Christian families as they endeavor to produce godly character within the lives of their children by helping them to develop a Christ-like attitude in their homes, churches, and communities. We believe these children will then be better equipped to recognize and fulfill God's purpose for their lives.

In view of the above statement, it is important to understand the school's desire to minister to the entire family while the student participates at the school. Therefore, the parents' Christian walk is considered a vital part in the educational development of the child. Our ministry does not view itself as taking the place of the parent in spiritual, academic, or social growth; however, our desire is to come alongside their efforts. This is a joint process that requires like-mindedness in order for the parents and the school to be able to co-labor effectively.

Mother's Name: _____

Name of Home Church: _____

Pastor's Name: _____ **Dates Attended:** _____

Please provide information for the following topics so that we may get to know you and better understand your relationship with God.
