

TROUPE 6817 DRAMA WEEKLY

Act well your part there all the honor lies.

The March drama club theme is: *Using Your Voice*. We all have a voice! As an actor, your voice is one of your greatest tools in connecting with your audience. You need to be able to use your voice in many different ways whether it be conveying the correct emotion, projecting loud enough to emphasize important words, or being able to change your voice to match a specific time period or dialect. These are all great pieces that make up your voice. This month we aim to help you gain a stronger voice to be able to pull out of your tool belt any time you need it!

"When you lift up your hands in prayer I will not look, though you offer many prayers, I will not listen, for your hands are covered with the blood of innocent victims. Wash yourselves and be clean. Get your sins out of my sight! Give up your evil ways. Learn to do good. Seek justice. Help the oppressed. Defend the cause of the orphans. Fight for the right of widows."

Isaiah 1:15-17
