

Elementary Christmas Outreach Testimonies

Mrs. Webb's Class:

I was at the practice last Wednesday and spoke to the kids afterwards to let them know they were performing for SOS Children's Village. These are kids who don't have Moms and Dad, live in group homes and may not know Jesus personally. Their performance maybe the only gospel messages they hear this Christmas season. This is their Mission field and to take this performance to heart... After the performance we got the OK for a Dad to present the gospel message and a time for the kids to ask Jesus to be the Lord of their life, juice and cookies afterwards to share and hopefully bibles to give out. I know all things come together for good for those who love God and keep his commandments. This will be awesome, it always is. Blessings, Kelly Blitch (Christmas Room Mom)

Mrs. Nance's Class:

I am so excited this morning about our class Christmas Outreach last night; I just had to share this with you. The kids did an outstanding job! Thank you Kimberly and Darci for all of your hard work with my class. I asked a dad in our class to open and close in prayer, and to do an altar call. He did an **outstanding** job of first teaching who Jesus is and of the message of salvation. After his teaching, he asked the residents to raise their hand if they wanted to accept Jesus as their savior. My room mom counted seven hands raised. However, when the dad began to pray, it seems the entire audience prayed aloud with the dad! It was beautiful to watch. Praise God!

Mrs. Negron's Class:

Thank you so much for your hard work and dedication. Having Joseph and one of the kings absent the day of could have been a major disaster, but you had them trained so well it was no biggie! They worked very hard, and it was clear during the event. They got a bit nervous and went way ahead on some of the songs, but it was cute and everyone giggled. The lady in charge said she had no idea what this was really all about. She got choked up as she said "they just told me some kids were gonna come and sing". Blessings to you and our love, respect, and appreciation. Tammy and the 3rd graders
