

You Are Invited to CCA's
HOMECOMING 2008

Calvary Christian Academy 2008 Alumni,

You are cordially invited to attend Calvary Christian Academy's Homecoming 2008, "Through the Looking Glass." This Alice in Wonderland inspired Homecoming has set CCA spirit soaring and we aim to incorporate each and every one of you into that same Eagles spirit. Though your days as a CCA high school student may be over we invite you to return for this CCA event to visit with each other as you are welcomed home.

On Friday November 14th at Westminster Academy's West Campus we invite you to come and cheer on the Eagles during our Varsity Football Homecoming game at 7:00 pm. And at the game be sure to visit the alumni hospitality tent.

We are sincerely looking forward to welcoming you home and hope to see each of you on Friday. Please be sure to check out cceaegles.org under the alumni link to get more information and details about Homecoming.

Sincerely,

Student Government Co-Presidents

Fenton Ameerally
