Decisions regarding the closing of school due to a hurricane threat will be made through CCA. You can receive updates on these decisions during the threat of a hurricane through the CCA website ([www.ccaeagles.org](http://www.ccaeagles.org)), and the Calvary Chapel website ([www.calvaryftl.org](http://www.calvaryftl.org)). CCA updates will occur one hour after each National Weather Service advisory, which puts CCA's times for updates at 9am, 12pm, 3pm and 6pm. Therefore, you should anticipate at the latest, a potential decision occurring around 6pm regarding the closing of CCA. Additionally, information updates pertaining to the re-opening of school will be provided on these websites as well as on the school office line, (954) 905-5100. If you have any questions, please e-mail Charlene Boothman at [charleneb@ccaegles.org](mailto:charleneb@ccaegles.org).
