

Introducing Jesus to the heart of a young child is one of the greatest joys in life. The pre-school program at Calvary Christian Academy is built on the desire to nurture your child in the Lord. It is our aim to create a loving environment where children can learn and grow through positive, engaging, and developmentally appropriate experiences. Our mission at CCA is to make disciples, and in order to fulfill our mission, we are called to prepare even our youngest "Eaglets" to glorify God spiritually, academically, and socially.

Having seen a need in our community and feeling called to answer that need, we are pleased to announce the opening of a new pre-school class for three-year-olds. Children who turn three years of age before September 1st will be eligible for our new Pre-K 3-year-old class.
